Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

Student with prior graduate work can seek approval for credit. For breadth coursework, provide syllabi for faculty to review and seek approval.
 For Master's degrees in Psychology, provide a thesis for faculty to review and seek approval.
 The program generally does not accept prior graduate work for our core clinical courses.
 Students with approved graduate credits may reduce expected timelines by up to one year.
